OBJECTIVE

Motivated Computer Science student with a strong passion for Cybersecurity and Ethical Hacking. Seeking an internship opportunity to gain hands-on experience in penetration testing, web security, and networking, while building a solid foundation in Information Security and applying my technical knowledge in real-world scenarios.

EDUCATION

Bachelor of Computer Science (In Progress) – Misr International University (MIU)
Sep 2024 – Aug 2028

ACTIVITIES & LEADERSHIP

IEEE MIU Student Branch – Technical Team Member

- Active participant in Python and Cybersecurity tracks
- Engaged in technical workshops and hands-on sessions
- Gained foundational knowledge in networking and security concepts

MSP (Microsoft Student Partner) – Technical Member

- Participating in technical training sessions and cybersecurity-related activities
 - Collaborating within a team environment to enhance technical and soft skills
-

TECHNICAL SKILLS

- Programming: Python, C++, Java
 - Web Basics: HTML, CSS, JavaScript
 - Tools: Cisco Packet Tracer, Nmap (basic), Burp Suite (basic)
 - Cybersecurity & Networking: Network Fundamentals, CCNA Basics, Cybersecurity Fundamentals, Basic Web Vulnerabilities (XSS, CSRF – beginner level)
-

SOFT SKILLS

Problem Solving | Time Management | Teamwork | Communication | Leadership

COURSES & TRAINING

- Red Teaming & Ethical Hacking (In Progress) – Udemy

Hands-on training in penetration testing concepts and security tools; exposure to web and network attack techniques in controlled environments

- Cybersecurity Fundamentals – MaharaTech
 - Computer Network Fundamentals – MaharaTech
 - CCNA: Introduction to Networks (In Progress)
 - Cybersecurity Foundations – Coursera
 - Introduction to Python – IEEE MIU SB
 - C Programming Basics
-

LANGUAGES

Arabic: Native | English: Fluent

HOBBIES & INTERESTS

Cybersecurity | Ethical Hacking | Continuous Learning
